

## Public Fertility Referrals for Northern Region

(Auckland, Northland, Waitemata, Counties Manukau)

### Patients must meet the eligibility criteria:

- Evidence of NZ residency (or work permit for at least 2 years)
- Woman's age <40 at date of referral
- One year duration of infertility or known severe cause

Referrer needs to check women's health with respect to carrying a pregnancy and physically examine the woman (and man) if appropriate.

Note that women with VMI >32 and/or smoke may be eligible for a First Specialist Appointment but will not be eligible for publically funded treatment.

Should be completed, but not necessary to attach to referral:

- Semen Analysis
- Current smear
- Ante natal screening plus current smear
- HIV, Hep B, Hep C status (male and female)
- FSH and oestradiol level day 2-4 of cycle (current within 6 months)
- Progesterone level 6-8 days before menses

### *Public referrals should be sent to:*
